Agent Commission Schedule

POLICIES AND COMMISSION

Commissions equal to the percentages shown shall apply to premiums received on Certificates/Policies placed in force under this Agreement during the effectiveness of this Schedule. The Policy(ies) covered by the Agreement to which this Commission Schedule is attached, are as follows:

Commissions*

Policy(ies) Number/Coverage	Compensation (as a percentage of gross premium)	
	First Year	Renewal
_____	_____	_____

Commissions will be paid when a minimum of \$25.00 is accumulated.

*Any commissions paid or credited to your sub-Agents will reduce the commission percentages shown. Unless otherwise identified, commissions will only be applied to collected premiums.

Any compensation may be adjusted in accordance to the provisions of the Agreement.

Chargebacks

The Insurer will reverse compensation paid to the Agent on premiums refunded for any reason except surrender or death of an insured. Should any such reversal of compensation create a deficit on the Agent's earnings statements, the deficit will be repaid to the Insurer upon demand and will be offset against compensation otherwise payable to the Agent.

This Schedule is not valid or effective until properly endorsed and counter-signed by a duly authorized representative of the Insurer.
